STRUCTURE SAFETY CERTIFICATE
TO WHOM IT MAY CONCERN

Pursuant to instruction received from director Dr. Vikas Siwach, Ch. Maan Singh Memorial Educational & welfare Trust, I inspected the School Building Vidya Shree international School, Village Bhalot, Rohtak on 02.04.2018 along with Dr Vikas Siwach, to ascertain the strength of Building structure and safety of the above mentioned Building.

Total Land Area = 21680 Sqyds. (18146 Sqm)

Covered Area GF -2138 Sft

1. The Building was constructed during 2017 with RCC Columns and Roof Slab having Tile Terracing and wooden/Steel doors & Windows, Tile flooring has been provided and walls have been plastered with cement Mortar. The Building is very well maintained.
2. It is certified that the said building is considered safe and has been constructed in Accordance with permissible stresses. The building is safe in respect of earthquake vibrations.
3. It is further certified that the structure is stable and fit for use.

Date : 03.04.18
Place : ROHTAK
