ABOUT US

We strongly believe that “Earlier is not better”. Every child is different and has a different pace of learning so things should never be imposed on children. Our philosophy is to make education more interesting and adventurous through love, understanding, support and encouragement. This joyous journey not only develops their intellectual capabilities but will also help them to become successful human beings.

We took the first step in January 2014 when we started our pre-primary wing BACHPAN AT 220 L, between Char Khamba and power house, Model Town, Rohtak . Later in the year 2016 Global Kids Kingdom started it's first session.

In the year 2018, we established our senior wing VIDYA SHREE INTERNATIONAL SCHOOL. VSIS is a premier world-class school located at 6th Mile Stone, Sonipat Road. VSIS building stands tall and magnificent in its majestic splendour, not just in physical terms but also in its irrefutable reputation for providing quality education to its students. VSIS has beautiful landscaping, lush green and well maintained lawns, games and sports fields. and new facilities are being added every year. VSIS is an English medium , co- educational school having expert faculty, staff and prominent professionals as members of the Management Committee and the Advisory Board .

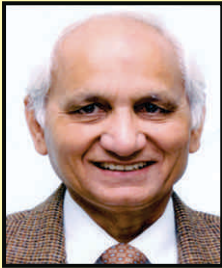

We are committed to inculcate in all our students, core ethical values of integrity, politeness, compassion, respect for elders, responsibility, honesty, tolerance and gratefulness. We take pride in providing a caring atmosphere to all our students just apt for the young minds to be nurtured. We aim to develop scholarly students with great discipline, intense perseverance and zeal to excel which are the qualities required to meet the challenges of the modern society.

We believe in imparting education by taking the best from our culture and moulding each student with an all- round personality which will equip them to live their life truthfully and fearlessly for their own progress and the welfare of the society.

We offer world class infrastructure, unmatched academic environment, innovative teaching techniques, dedicated personalized care and opportunities for life time learning. The school believes in broadening horizons, encouraging out of the box thinking and problem solving skills right at the initial years. We motivate students to dream and aspire for the very best in the world and be the agents of change and progress in the years to come.

School Meals

Children have a choice of cooked meal served in school or a packed lunch from home. The menu for school meals is shared with parents and students can avail this facility on quarterly basis. The children have their meals in dining hall along with and under supervision of teachers and lunch time staff.

Students have a fruit break in which they consume the fruit or healthy food brought from home. We do not encourage junk food, sweets, chocolates and fizzy drinks to be brought to school. Students are encouraged to finish the serving in their plates and not to waste food and they are expected to put their plates in the washing bay after meals.

A large number of vegetables and ingredients used for meals are grown organically within the campus.

Students have two compulsory water breaks in which they are encouraged to drink water and stay well hydrated.

Holidays

List of school holidays for the academic year is available in the almanac and on portal. Please plan your holidays to coincide with school holidays as far as possible, thus avoiding any loss of studies for your child.

Little feet moving - Step by Step Global kids kingdom

A place where every child is a happy child, where they are nurtured like flowers in the garden.

The play based learning helps to prepare children for formal school and develop skills that are useful for life.

A plethora of activities at school like drawing, painting, clay modeling, printing, origami, role play, storytelling sessions, sports, yoga, gymnastic, dance and music help the children to develop love for lifelong learning.

Facilities Offered

Globalized Learning

Joyful Education and Holistic Fitness Through CBSE Curriculum

We, at VSIS, work at implementing a well-balanced curriculum to ensure that the children who join the VIDYA SHREE family into the portals of our school will not just love their school years but truly be prepared to face life's challenges.

The new world of 21st century that we have stepped into is marked by rapid technological advancements. This world holds the promise of new vistas and opportunities for our young learners. We at VSIS want to keep no stone unturned hence we have provided world class infrastructure facilities to support the curriculum. The scientific temperament is cultivated by the way of practical and activity based learning through unmatched infrastructure.

- **Robotic Lab :**

Robotic lab helps children to develop the technical understanding to cope with fast changing technologies & new innovation.

- **Science Labs :**

We at Vidya Shree provide well equipped Science labs through which students get a first hand experience by performing various experiments on their own under the guidance of our experienced teachers.

- **Social Science Lab :**

Social Science Lab provides a platform to revise the history, understand the geography and learn the civil structure around the world. Use of audio/videos, maps, globe etc. makes the learning easier.

- **Math Lab :**

Maths lab is setup in collaboration with NIIT which help children open their minds and develop their numerical abilities and remove the fear of mathematics from very beginning.

- **Language Lab :**

Well equipped language lab helps to develop communication skills of students by giving a platform where they can understand, listen, practice and sharpen their command on language.

- **Computer Lab :**

Computer lab provide tools and technology to our young Vidyashreeans. To be computer savvy and to learn about technology which is essential in every aspect of life.

- **Art & Craft Room :**

Developing aesthetic sense is given equal weightage at VSIS and our Art & Craft room and also helps them to improve their fine motor skills, creativeness and artistic skills.

- **World Class Library :**

“Books are the quietest and most constant of friend; they are the most accessible and wisest of counselors and the most patient of teachers.”

-Charles William Elliot

We regard books as one of the essential tools for learning. The School has a well-equipped library and children are encouraged to take books home. We always foster a love for books and keen interest in learning, which we hope parents will also encourage at home.

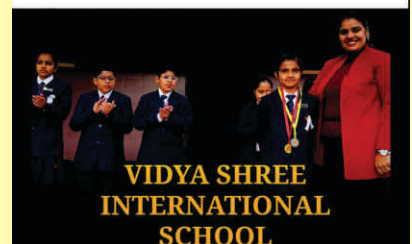

- **E- Learning through Smart Classes**

Audio Visual method of teaching creates a disciplined learning environment and fosters effective student engagement in class

Developing Communication Skills

We at Vidya Shree International School make conscious efforts to develop communication skills of our learners and to make them confident orators who can express their views confidently.

Sports and Games Galore

"The domain of sports has the vast potential to "better" the game of life itself. Besides promoting physical fitness it lays stress on healthy life style and developing social skills. It instills values like discipline, perseverance, team spirit & sports man spirit.

One of the challenges we faced has been to develop a physical education program that is meaningful, demanding and practically possible to implement. Sports are an integral part of a healthy childhood and also important in enhancing their personality & outlook. Children have extensive play fields and indoor play areas where they can pursue the sports of their choice under the close observation of teachers trained in physical education and dedicated coaches. The school provides ample sports activities like cricket, basketball, table tennis, football, skating, volleyball, yoga, boxing, badminton, meditation, gymnastics. Other than these sports, the school has a professional shooting range also.

Teachers also integrate play within their topic plans across the curriculum and children's enjoyment is reflected in their improved attendance and behaviour. We also offer a wealth of extracurricular activities for children of all ages during and after school hours. Details of clubs on offer are sent out at the beginning of each term.

Opportunities to lead and excel are open to children of all age groups, both in classrooms and playgrounds and we ensure that pupils make use of these opportunities responsibly.

Educational Visits

We are committed to all-round development of the children and out of school educational visits enable us to take children's learning on to a higher level. It provides them a practical exposure to the world around them, away from regular school environment. Classes are conducted in the lap of nature and pupils are taught to respect and preserve our mother earth. Learning this way can appeal to varied learning styles, helping them to succeed, whether they are visual, auditory or kinesthetic learners.

Dedicated, Trained & Sensitive faculty

We are committed to have dedicated, supportive, caring & trained teachers who not only work day and night to bring positive values in the life of their students, but also act as mentor, friend and role model.

Learning beyond the classroom Workshops & Seminars

Taking learning beyond the bounds of curriculum, workshop & seminars empower students & teachers to explore and update their knowledge from time to time.

Inculcating Leadership

The school looks at each student as a unique 'whole person' with inherent genius, special capabilities and unlimited potential. By providing conducive and encouraging environment, we try to bring out qualities like leadership, responsibility, caring and sharing along with multidimensional growth of their physical, social, intellectual and spiritual being.

Student Council

“Everyone should have a voice and every voice should be heard”.

At Vidya Shree we encourage children to contest elections for Student Council and get an opportunity to share their thoughts and views. It helps them to understand the electoral process and democracy, develop a sense of responsibility, create a feeling of belongingness, to encourage listening to others and develop self-confidence.

Houses

All the children are placed into one of our four houses.

The students participate in wide range of Inter house activities, Assemblies and Inter house competitions. House system fosters competitive bonding and discipline among students and gives them an opportunity to interact with students of other classes. Children learn the value of teamwork and also get more opportunities to discover their talent and showcase them in various Intra and Inter house competitions.

Festivals and Celebrations

The school organizes get-together with students on occasions like Independence Day, Republic Day, Vijay Diwas, Haryana day, Teacher's Day, Children's Day and various festivals like Deepavali, Dussehra, Gurpurab, Lohri, Christmas, Janmashtami, Holi, etc. These celebrations inculcate mental acceptance of all religions, coordination and teamwork and feeling of togetherness in students. Updated List of celebrations is Provided in school calendar & almanac.

School Transport

We have a fleet of buses managed by trained drivers and active female transport assistants, GPS and CCTV cameras to transport children and staff safely and comfortably

Expectations from Parents of Vidyashree Pariwar

- ₹ To attend all PTMs on time for discussing the development of the child.
- ₹ To sign the almanac of the child on regular basis so that no important information is missed.
- ₹ To regularly check messages and updates on school portal and app.
- ₹ Be a co-partner with school and the overall development of the child.
- ₹ To help your child in finishing their homework with quality.
- ₹ To help your child in revising the work done at school on regular basis.
- ₹ To pay the fees and other dues on time.

Expectations from VIDYASHREEANS

- To protect and promote the sanctity of school
- To safeguard and preserve School property.
- To be responsible for individual's properties.
- To maintain cleanliness in the classrooms and also help in making an ecologically green school.
- To follow the instructions given in the school by the staff.
- To uphold the dignity of the school programs by organizing, participating in and helping in whatever way help is required.
- Students should speak softly and only in English while in school.
- Students should behave responsibly with friends and acquaintances.
- Student should be dressed appropriately all the time while they are in campus.
- Students behaviour outside school should always be exemplary to make their parents and teachers proud.

PTM (Parent Teacher Meeting) / PMM (Parent Management Meeting)

The teachers and parents often see different aspects of child's personality. Regular, PTM+PMM are conducted to update parents about child's progress and to share views on students achievements and behavior.

Parental Help: Everyone Has A Skill

Children can always benefit from any additional support they get. We, at VIDYASHREE, gratefully encourage parents to volunteer to help us in whatever is their field of interest, or their strengths. You can fill out the form available in school and we will get in touch.

Medicines in School

The administration of medicine to a child is responsibility of parents. If any medicine needs to be administered during school hours, clear instructions regarding timings and dosage along with medicines in original pack and copy of doctor's prescription must be sent to the class teacher. If a child is ill before school begins, please do not send the child to school on that day. In case of any emergency during school hours, we will take action required in the interest of child. First aid and emergency drugs are administered to the child in consultation with Siwach Hospital and parents are informed regarding the same telephonically. We have a well-equipped infirmary in our school.

Anti-Bullying Policy

We describe bullying as “The premeditated and continuous act of aggressive behavior to another person”, that can be physical or mental. At VidyaShree such behavior is totally unacceptable and is a cause of great distress and anxiety for all concerned. We will not tolerate any unkind action or remarks even if these were not intended to hurt. Children are encouraged to tell the teachers, parent or a friend if they feel they are being bullied. We never underestimate the seriousness of bullying and the negative effects it can have so we listen to any issues brought to our notice and act appropriately to stop any such behavior.

Discipline Policy

We have a number of school rules of which children will be reminded of from time to time. They are designed to ensure a safe and orderly school environment. We expect the behavior of Vidyashreeans to be exemplary. Children have plenty of opportunities to interact, play together and develop friendship. Sometimes children misbehave. If this happens children are given many opportunities to make a fresh start and make the right choices. If we feel that your child's behavior is a cause of concern we ensure that you are informed and if required asked to meet the teacher / principal. Our endeavor is to support the child in improving his/her behavior and bring out the best in them. If after repeated efforts and corrective measures the disciplinary issues persist, the case is forwarded to management for disciplinary action.

Safety

Our children are most precious to us. The security and safety of our school children is of paramount importance to us. At Vidya Shree International we believe in being a step ahead. We have always had in place a well thought of and planned system of checks and balances for the security and safety of our children. These are upgraded and improved at regular intervals. You will find some of them listed below. Some of the precautions will require your close and patient cooperation but we are confident that as caring parents, you will partner with us carefully in this endeavor to keep your children safe.

CCTV cameras are installed in school premises and constant checks are made to ensure their proper working.

We continue to strive for the safety
and happiness of all children and staff.

- CCTV recordings are monitored regularly by the school authorities.
- Headcount of students is all done regularly in all classes.
- Mobiles are banned for students.
- Surprise checks of bags of students are done by authorized people.
- Students are always under supervision, may it be classroom, sports activities or meals.
- A buddy system is in place for the school students while visiting the washroom. No student will leave the classroom alone to go to the washroom.
- There is one female attendant per washroom at all times.
- Maids and support staff accompany the students on school outdoor trips and educational visits.
- Strict segregation of areas during break time for children and staff on duty. No vendors are allowed onto the premises during school hours .
- Teachers strictly adhere to the “no meeting policy” during the school hours.
- Four Tier systems are in place for a child leaving before time. Gate pass is signed by class teacher, coordinator, school reception, and checked at the gate.

Teachers do not leave before the departure of the buses.

- Entry into the school premises must be in compliance with security norms.
- Entry of persons /vehicles is recorded at the school gate by the security guards.
- Entry is not given to any vehicle without the permission sticker and proper verification.
- Efficient communication system is on/in place between the school reception and the school gate guards on duty.
- All visitors are required to fill in the permission slip pro forma. One is handed over to the reception and a copy of the same is detained at the gate and provide ID proof and their picture is clicked and stored in portal.
- Visitors must wear a visitor ID card around their neck for the entire duration of the visit in the school and return it at the gate when they depart. Strict protocol to ensure that the drivers, attendants and other support staff are not given unrestricted access to the school building during school hours.
- Specific areas for the above mentioned persons have been designated and separate toilet and water points have been allocated.
- Well trained female attendants are assigned duties inside the school premises.
- The school is adequately gated and secured with the help of a grilled boundary wall. School audit for fire safety is conducted regularly.
- The administrative staff takes periodic rounds of the washrooms areas, classrooms and open spaces during and after the school hours.
- There are trained counselors to guide and observe the children.
